Groundbreaking Care

Bringing groundbreaking care to the communities we serve is a part of our history. And our new health campus is our latest effort to transform health care for the future. Born from a legacy of putting people first through better access, experiences and outcomes, this investment in our Mission of helping people throughout life's journey is about much more than a physical location or a building. It represents our commitment to care for our community now and for generations to come.

ebaptisthealthcare.org

a long legacy of
successful
early intervention
services

Since 1954, the pediatric professionals at The Arc Gateway's **Pearl Nelson Development Center** have served children who have, or are at risk of, developmental disabilities. As the **area's largest provider** of Part C/Early Steps services, we offer:

developmental instruction
speech therapy
occupational therapy
and physical therapy
in one convenient location

while

17%

of children
have a disability,

only

5%

of them receive early
intervention when the
brain is most plastic and
will make the most
impact. Timely referrals
are critical to success.

Partnering with the pediatrician, our expert team equips the family with the skills and knowledge to support their child's goals. Our

collaborative approach

reduces the need of costly services, like
special education, later on.

For info. and referrals to the Pearl Nelson Development Center

A Letter From The E.C.M.S. President

As the 2023 President of the Escambia County Medical Society, I am pleased to announce the 150th anniversary of our organization. Our members take great pride in serving our community and we all look forward to continuing to do so for many years to come.

In honor of this special milestone, I invite you to join us in celebrating the long-standing history of the ECMS. We are committed to continuing our tradition of excellence in healthcare delivery and advocacy for the well-being of our patients.

I would also like to remind you of the value of this, the 13th edition of the Escambia County Medical Society Membership Directory. This directory serves as a valuable resource to your practice as it lists our members' specialties, NPI numbers, and practice contact information. It is an essential tool to help you connect with other members of our society and enhance your professional network.

As an active member of ECMS, you are welcome to attend our many networking and educational meetings. We believe that these events provide a platform for medical professionals to connect with one another, share their experiences and expertise, and foster a strong sense of camaraderie among the medical leaders of this community.

ECMS has a strong representation at the Florida Medical Association's Annual Meeting by sending representatives to the House of Delegates each year. We encourage new and existing members to apply to become a delegate or draft a resolution that we can take to the House of Delegates.

Finally, I would like to express my gratitude to our members for their continued support and commitment to the Escambia County Medical Society. We look forward to serving the community for many years to come.

Sincerely,

Maureen Padden, M.D.
2023 President of the Escambia County Medical Society

Goal Area

Advocacy and Government Relations
Member Value and Service
Trusted Community Resource
Medical Society Strength

- Advocacy and Government Relations – ECMS advocates for physicians and preserving the practice of medicine. LEGISLATIVE ADVANCEMENT TEAM [LAT]
- Member Value and Service – ECMS unites the profession through membership and delivery of value, service and relevance. MEMBERSHIP ADVANCEMENT TEAM [MAT] and EDUCATION ADVANCEMENT TEAM [EAT].
- Trusted Community Resource – ECMS promotes a healthy community and favorable public image. COMMUNITY HEALTH ADVANCEMENT TEAM [CHAT]
- Medical Society Strength – ECMS sustains the leadership and resources for a dynamic medical society. [EXECUTIVE COMMITTEE OFFICERS]

The Escambia County Medical Society in conjunction with Santa Rosa County [E.C.M.S.] is a local professional association of medical doctors and doctors of osteopathy (M.D.'s & D.O.'s), that addresses

political, social, and economic issues concerning the level and delivery of healthcare for patients and physicians. Started in 1873, the non-profit E.C.M.S. represents over 400 physicians living or working in Escambia and Santa Rosa counties of Northwest Florida.

Mission:

The mission of the Escambia County Medical Society is to advance physicians' practice of medicine in our community.

Vision:

Tradition – Honoring the history of medical care in Escambia and Santa Rosa counties.

Service – Serving the needs of our community through the service of our members in the practice of medicine.

Leadership – Meeting the challenges of the future and safeguarding our community's health through organized collaboration on the local, state, and national level.

Functioning as the Champions of Healthcare by:

- Nurturing all physicians to seek self-improvement, leadership abilities, and volunteer opportunities within our community and state;
- Serving as advocates for patients by encouraging physicians to pursue high standards in medical care, education, and ethics;
- Promoting access to quality healthcare for all citizens in the local community, regardless of ability to pay for such services;
- Promoting the unity, harmony, and welfare of the medical profession

Some of our activities:

- Offer membership to all qualified physicians in our area
- Encourage continuing medical education and accreditation
- Liaison with public health agencies
- Physician meetings featuring current topics concerning healthcare
- Communicate information through our newsletter, The Bulletin.
- Actively seek the legislative process to improve availability of quality healthcare for all citizens, regardless of ability to pay
- Respect and facilitate the coordination of physician-specialty society efforts
- Maintain honest communication with the media
- Encourage members to volunteer in our community

The ECMS Foundation is the philanthropic arm of the Escambia County Medical Society. A organization dedicated to providing healthcare services to the elderly, uninsured, and economically disadvantaged citizens of Escambia and Santa Rosa Counties. ECMSF was founded in 1994 as a 501c3 non-profit organization.

The Foundation Goals:

- To help assure access to healthcare for the medically needy citizens of the county.
- To be at the forefront of public health principles and practices.
- To meet the needs of patients and physicians of Escambia and Santa Rosa Counties.

Our current programs and projects are:

- Escambia County We Care.
- Go Seniors Program.
- Blood Pressure Cuff Program.
- FSU Medical Student Scholarships.
- Pensacola State College Endowment.
- Physician Wellness Program.
- Strength Management And Resiliency Training (S.M.A.R.T.)

The charitable works of our foundation are made possible by physician contributions financially and through time and skill.

1. We Care Program: dedicated to helping the indigent and uninsured patients access care. This is only achievable because of our member physicians who generously donate their time and skill. Please consider joining this effort.

2. Go Seniors Program: dedicated to helping the elderly poor see their doctor on a regular basis by covering transportation expenses. Additionally we have expanded this program to meet the current needs of patients during the COVID-19 pandemic by enabling patients to use the voucher transportation program to get their vaccines.

3. Blood Pressure Cuff Program: dedicated to helping patients monitor their blood pressure at home by providing free blood pressure cuffs.

4. FSU Medical Student Scholarships: is an endowment made in conjunction with the Pensacola regional campus. Medical students are presented scholarships and hopefully this will emphasize the need for our area, and some will come back here to practice after all of their training. An initial \$100,000.00 contribution was made through the Foundation to create it, and it has continuously grown. Various fundraisers have helped to sustain it.

5. Pensacola State College Endowment: dedicated to funding scholarships of students attending Pensacola State College who are interested in health-related fields of study.

6. Physician Wellness Program:

“Helping healers heal”: dedicated to helping our physician colleagues who may be suffering personal and professional angst. Member physicians may access three private sessions with a highly skilled psychologist.

7. S.M.A.R.T. Program:

Dedicated to Stress Management and Resiliency Training. Our physician instructor is Dr. Rohit Amin who will teach a 90 minute class each week over nine weeks.

Additionally, the ECMS Foundation has participated in other varied endeavors. It has provided awards to local science fair winners, money for public service billboards, and enabled a project to bridge the gap between hospital and home care.

In 2017 the ECMS Foundation created the 1873 Society, a society to raise awareness and fundraise for our projects. Donors who donate \$3,000 or more are recognized at all society meetings, with names engraved on a special plaque.

It is your participation in these programs that keep it going. The money for the Foundation comes from your tax deductible donations. Please consider this as you review your charitable giving. Checks may be sent to the Foundation at 4771 Bayou Blvd., #157, Pensacola 32503.

Thanks to everyone who has been involved!

The ECMS Foundation Board:

President: Ellen W. McKnight, M.D.

Vice President: Joanne Bujnoski, D.O.

Secretary/Treasurer: Michelle Brandhorst, M.D.

Current ECMS President: Maureen Padden, M.D.

Members at Large: Wayne Willis, M.D.

Hillary Hultstrand, M.D.

Brian Kirby, M.D.

Executive Director: Laura Griffin

MISSION:

The ECMS Foundation is a non-profit organization dedicated to providing healthcare services to those most in need throughout Escambia and Santa Rosa counties, while also supporting the physicians who serve those populations.

What is the 1873 Society?

The members of the 1873 are physicians who contribute financially to support the programs of the ECMS Foundation demonstrating their commitment to healthcare access in our community.

JOIN:

To join the 1873 Society, physicians donate \$3,000 to the Escambia County Medical Society Foundation, Inc.

Donations may be made fully or in three \$1,000 annual contributions.

These members will be honored for their generosity in supporting the ECMS-Foundation Projects.

You may also consider making a Memorial Contribution.

ECMS-F
Blood Pressure
Cuff Program

Funded by the ECMS-Foundation

Goal:

Equip medically indigent patients in Escambia and Santa Rosa Counties with at home blood pressure cuff monitors and to enable these patients to have more control over their health through continuity of care.

Method:

By partnering with local clinics and Physicians' offices, our blood pressure cuff programs helps these patients regularly check their blood pressure at home to help minimize cardiovascular & cerebrovascular diseases.

For more information or to sign your practice up for the program, contact:
director@escambiacms.org

The Physician Wellness Program (PWP)

PHYSICIANS WELLNESS PROGRAM
HELPING HEALERS HEAL
A PROGRAM OF ECMS FOUNDATION

FREE & CONFIDENTIAL MEMBER BENEFIT

The Physician Wellness Program (PWP) provides a safe harbor for physicians to receive wellness coaching to address normal life difficulties in a confidential and professional environment.

Why was the program created?

A physician's life can be difficult. Problems with the current health care delivery system, maintaining a healthy work/life/family balance, and dealing with the normal stresses of everyday life do take their toll on physicians. Often our patients turn to us for counseling and guidance, but who can we turn to when we need to talk through an issue or get some coaching on how to handle the stresses in our lives? Too often the answer is "no one," and that is regrettable, because it is important that we be as healthy as possible in our roles as physicians. It is important that we function at our best in all areas of our lives. By addressing areas of difficulty, we can decrease our stress levels and increase our level of resilience and effectiveness.

Some examples of those difficulties include:

- Burnout
- Work-related Issues
- Difficulty Managing Stress
- Family Issues
- Relationship Problems
- Depression and Anxiety
- Mood Swings
- Suicidal Thoughts

To schedule an appointment

- 1) Email patrick@psyassociates.com or call (850) 434-5033 x8
- 2) Identify yourself as a member of Escambia County Medical Society and that you wish to utilize the Physician Wellness Program

The Physician Wellness Program (PWP)

How PWP works

The Escambia County Medical Society Foundation board has hired licensed clinical psychologist Dr. Rick Spencer who has a PhD in psychology.

He will provide wellness coaching to the Escambia/Santa Rosa County Medical Society Active Members, for up to three visits per calendar year.

This provider will maintain a minimal confidential paper file for each physician, but no insurance will be billed and ECMS and the ECMS Foundation, Inc. will not be given any information that would identify those who utilize the program.

As such, the program is completely confidential. ECMS Foundation, Inc. will pay a monthly invoice to our psychologist based on the total number of sessions provided. ECMS membership will be verified through a monthly log provided to Dr. Spencer.

PWP Benefits

This program is a membership benefit for ECMS Active Members

Member relatives may attend coaching sessions with members in attendance

Three free in-person wellness coaching sessions each calendar year

- Complete confidentiality
- Convenient location
- Program is funded by donations and grants

Wellness Coaching Provider

Dr. Rick Spencer is a licensed psychologist and a partner at Psychological Associates with over twenty five years of clinical experience in the Pensacola area. He has two doctorates, one in Clinical Psychology and one in Developmental Psychology. He completed his Internship at Tulane University Medical School in New Orleans, Louisiana. Dr. Spencer treats teens and adults with individual, family and couple's (marriage) counseling and has specialized training in marital treatment, such as Imago therapy. Dr. Spencer conducts psychological evaluations across the age span from age 4 and up. These evaluations include psycho-educational, intelligence, attention, and psychological/personality assessment. Legal consultations, such as court ordered custody evaluations and testimony, are also provided. Dr. Spencer provides medical consultation evaluations such as pre-surgical psychological screenings for bariatric surgery and spinal cord stimulator implantation, as well as for other pain management issues.

Services are available on the second and fourth Tuesday of each month.

For an appointment call 850-595-6670

To Report an Infectious Disease Call:

850-595-6683 Monday through Friday 8 a.m. to 5 p.m. CT.

850-418-5566 After hours, weekends, and holidays.

Clinical Services and Community Health Programs:

Adult & Child Primary Care Clinic 850-595-6500, option 2

Primary care services are available to Medicaid Managed-care adult and pediatric clients who are assigned to/have selected FDOH-Escambia as their provider. Call to schedule an appointment.

AIDS Drug Assistance Program (ADAP)

850-595-6767

ADAP assists uninsured and underinsured individuals living with HIV/AIDS in obtaining access to life-saving medications. Participants must meet eligibility requirements, have at least one prescription for a medication on the ADAP formulary, and have viral load and CD4 test results no more than six (6) months old. Call for more information.

Florida Department of Health in Escambia County

Area 1 HIV/AIDS Program

850-595-6500, extension 1505

The Area 1 HIV/AIDS program provides services to persons living with HIV and AIDS in Escambia, Santa Rosa, Okaloosa and Walton counties in Northwest Florida. Services may be provided directly by program staff or through contracts with area providers. Call for more information.

Breastfeeding Program

850-595-6670, option 2

The breastfeeding program provides lactation education and support, including breast pump loans, to eligible mothers. Call for more information.

Child School Physicals

850-595-6500, option 2

Physical exams required for school attendance are available for pre-K through 12th grade students. Services are provided for a set fee. Call to schedule an appointment or inquire about fees.

Epidemiology

850-595-6683

The epidemiology program monitors incidences of communicable diseases and conditions that significantly affect public health. Call for more information.

Family Planning Clinic

850-595-6500, option 2

The Family Planning clinic offers a variety of birth control methods and makes appropriate referrals. Family Planning also provides abstinence counseling and information about natural family planning. Participants will receive a clinical exam by a nurse practitioner or doctor which may include STI testing. The cost for a Family Planning visit is based upon ability to pay. Call for more information or to schedule an appointment.

Florida Breast and Cervical Cancer & Early Detection Program

850-595-6500, extension 1202

The Florida Breast and Cervical Cancer Early Detection Program (FBCCEDP) promotes early detection through connecting at-risk populations to resources for screening and treatment. The program targets women 50 to 64 years of age without Medicaid or insurance who live in Florida. Call for more information.

HIV Prevention – Pre-Exposure Prophylaxis (PrEP) Services and Post-Exposure Prophylaxis (PEP) Services

850-595-6345

Screens candidates and coordinates treatments to prevent HIV infections in Escambia County residents who are at high-risk for exposure, or have been exposed, to HIV.

Immunizations

850-595-6500, option 2

FDOH-Escambia offers immunizations for children and adults. All childhood and adolescent immunizations are offered in accordance with the Bureau of Immunizations Schedule and the Florida School Guidelines. No-cost vaccinations are available to eligible children from six weeks through 18 years of age. Clients who are 19 years old and older may qualify for the Adult Vaccine Program that offers a certain vaccines for \$18 each. A separate fee schedule exists for adults who do not meet the eligibility requirements for the Adult Vaccine Program. Call for a same-day appointment.

Sexually Transmitted Disease (STD) Clinic

850-595-6500, option 2

The STD clinic provides testing and treatment as well as education and counseling in a confidential setting. Call for more information or to schedule an appointment.

Tuberculosis

850-595-6500, extension 1210

FDOH-Escambia's tuberculosis program collaborates with clinicians to ensure patients receive effective and timely treatment and that contact investigations are performed to minimize transmission. Call for more information.

Florida Department of Health in Escambia County

WIC

850-595-6670

The Supplemental Nutrition Program for Women, Infants, and Children (WIC) provides food items that support nutrition for growth and development, as well as nutrition education and breastfeeding support, for pregnant and breastfeeding women, infants, and children under 5 years old. Call for more information or to schedule an appointment.

Other programs and services:

Diabetes Prevention Program

850-595-6500, extension 1814

Certified Lifestyle Coaches deliver the CDC's evidence-based Prevent T2 curriculum. Class dates, times, and locations vary. Call for more information or to request materials for your practice or waiting room.

Healthy Start

850-595-6641

Healthy Start coordinates services, for pregnant women and children ages 0 to 3 years, to support healthy birth outcomes and early childhood development. Services consist of home visits by health professionals, childbirth education, breastfeeding support, and facilitating access to local service agencies and other resources. Call for more information.

Public Health Preparedness

850-595-6500, extension 2201

The public health preparedness (PHP) program provides operational and tactical level planning to support preparation, response, and recovery from natural and man-made disasters.

School Health

850-484-5100

School Health nurses and health educators support and deliver education on health topics in Escambia County District Schools. Call for details.

Tobacco Free Florida in Escambia County

850-595-6500, extension 1831

The Tobacco Free Florida in Escambia County (TFF-Escambia) program spearheads tobacco use prevention, social norm and policy change, and cessation initiatives for the entire Escambia County community. Call for more information.

Vital Statistics (Birth and Death Records)

850-595-6500, option 3

Vital statistics issues birth certificates for persons born in Florida and death certificates for persons who died in Florida from 2009 to the present. Call for more information.

We Care

850-595-6500, extension 1082

Connects financially-vulnerable Escambia County residents requiring medical specialty care to medical and auxiliary care professionals who are willing to donate their services so that individuals with needs have access to better health. Call for more information, or to volunteer.

Wellness Programs, Health Presentations

850-595-6500, extension 1801

Selected presentations are available on public health issues. Technical support and information is also available for wellness programs implemented by local businesses, faith-based organizations, and other community organizations. Call for details.

Find more information about our programs and services at www.EscambiaHealth.com.

E.C.M.S. Members By Specialty

The Members by Specialty list closely reflects the specialty group and board certification designations set forth by the American Medical Association and the American Board of Medical Specialties. Sub-specialties which would normally have been listed in alphabetical order, are now included under major specialty group sections (for example: Hematology is included under the Internal Medicine section; General Surgery is included under the Surgery section; and all Pediatric sub-specialties are included in the Pediatric section). Cross-references are included throughout the list to assist you.

Addiction Medicine

Ptacek, Terry, M.D.

Coastal Family Insurance

Your Local Authorized Agency for **Florida Blue**

An Independent Licensee of the Blue Cross Blue Shield Association

COVID-19 Medicaid Funding is ending in Florida

The State of Florida is currently reviewing all Medicaid enrollees of the Families First Coronavirus Response Act (FFCRA) program. If you receive a termination letter from Florida Medicaid or do not complete the renewal process, Coastal Family Insurance can help you review your coverage options moving forward.

**Call Coastal Family today to make
your appointment, or stop by our office!**

E.C.M.S. Life Members

Special gratitude is given to our E.C.M.S. LIFE MEMBERS. They have been a Champion of Health Care through E.C.M.S. for over 35 years. Holding a Life Member Status is a prestigious achievement. Life members enjoy the benefits of a dues exempt position with all the benefits of an active member.

PENSACOLA
OPERA

41st Season

LOVE OPERA.
SUBSCRIBE TO IT.

Reserved Seating, Season After Season

Easily pick your own seats - season subscribers get first choice seating - and your seats are reserved for you as long as you want to subscribe.

25% Savings Over Single Ticket Prices

Subscription prices are 25% less than our base price for single tickets. After the Ticketmaster fees, a Season Subscription saves you almost 40% over single ticket prices. A season subscription is truly the most affordable way to experience Pensacola Opera!

Monthly E-Newsletter

Receive Pensacola Opera updates each month in a newsletter just for subscribers and Friends of the Opera!

Pre-Sale Opportunities for Special Events

Subscribers receive special pre-sale opportunities for our major fundraising events, Jukebox Gals and the Operafest Ball!

Discount to Meet the Artists Reception

Directly after opening night, enjoy a fully catered meal, wine, and desserts while getting a chance to mix & mingle with the stars of the show! Subscribers get 10% off the ticket price.

Pensacola Opera Merch Access

Subscribers get access to exclusive Pensacola Opera merchandise, including discounts and special deals.

41st Season Subscriptions Start at Just \$88
